

Eiger BioPharmaceuticals to Present at 2017 Wedbush PacGrow Healthcare Conference on August 16th

PALO ALTO, Calif. – August 8, 2017 – Eiger BioPharmaceuticals, Inc. (Nasdaq:EIGR), focused on the development and commercialization of targeted therapies for rare diseases, announced today that David Cory, President and CEO of Eiger, will present a corporate overview and business update at the 2017 Wedbush PacGrow Healthcare Conference at 12:45 pm ET on Wednesday, August 16, 2017, at Le Parker Meridien in New York City.

A live webcast of the presentation will be available on the Eiger BioPharmaceuticals website at www.eigerbio.com under the “Investors” tab. A replay of the webcast will be available approximately one hour following the completion of the live event.

Eiger will also host one-on-one meetings with investors at the 2017 Wedbush PacGrow Healthcare Conference on Wednesday, August 16, 2017.

About Eiger

Eiger is a clinical-stage biopharmaceutical company committed to bringing to market novel products for the treatment of rare diseases. The company has built a diverse portfolio of well-characterized product candidates with the potential to address diseases for which the unmet medical need is high, the biology for treatment is clear, and for which an effective therapy is urgently needed. For additional information about Eiger and its clinical programs, please visit www.eigerbio.com.
